

OAPN Board Give/Get Policy

last updated & approved by OAPN Board of Directors: September 2023

The Ohio Arts Professionals Network OAPN is a member-driven organization, with a small staff and a volunteer board. We recognize that most board members are not in a position to personally donate large sums to the organization. However, a key part of board service is bringing in funds to the organization *beyond membership and registration fees.*

OAPN asks that all board members give a financial donation to the organization annually in order for the org to fulfil our 100% board contribution from members.

This may come in as a mix of personal contributions, employer matches, in-kind donations, and other fundraising from individuals and/or organizations. Sponsoring national and regional organizational events are also appropriate board contributions. Special project support deemed appropriate by the board will also be considered on a case-by-case basis. *Essentially anything the organization would have paid money for, that you provide at no cost to the organization, counts as an "in-kind donation." The value of any in-kind donation is at your discretion.*

Please indicate below how you plan to provide your contribution:

- Personal Check \$ _____
- Sponsorship \$ _____
- In-Kind Donation in the amount of \$ _____
 - Description of service includes: _____
- Other _____

Signature of Board Member: _____
